MEALS ON WHEELS

Beaver Valley is in need of your help to deliver meals to local residents here in Brandon for the month of August 2024. We share this responsibility with 5 other local churches.

Active Generations will deliver the meals to the Splitrock Apartments at 1100 Teakwood Street Bandon, SD around 11:30 am. Red and Blue meal bags are dropped off in the entry of the Apartment Building. Meals are delivered in the apartment complex first followed by the rest of the city.

Depending upon the number of clients receiving meals, it takes approximately 1 hour for delivery. The client list and addresses are clear and accurate.

It is a very rewarding experience. Delivering is easier with two people each day, one to drive and the other delivers the meal to the client.

Please sign up on the MOW calendar, which will be posted in July for the August delivery. Choose your dates that work with your schedule.

If you have not driven or delivered before, you need to fill out a volunteer application with your personal information. This form is necessary for liability for Active Generations.

Please text or call. I will get the form to you.
